Sunrise, Sunset, Sunrise, Sunset,
Swiftly flow the days;
Seedlings turn overnight to sunflowers
Blossoming even as we gaze

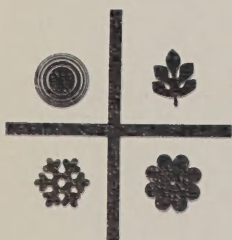

Sunrise, Sunset, Sunrise, Sunset,
Swiftly fly the years

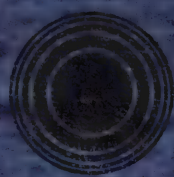

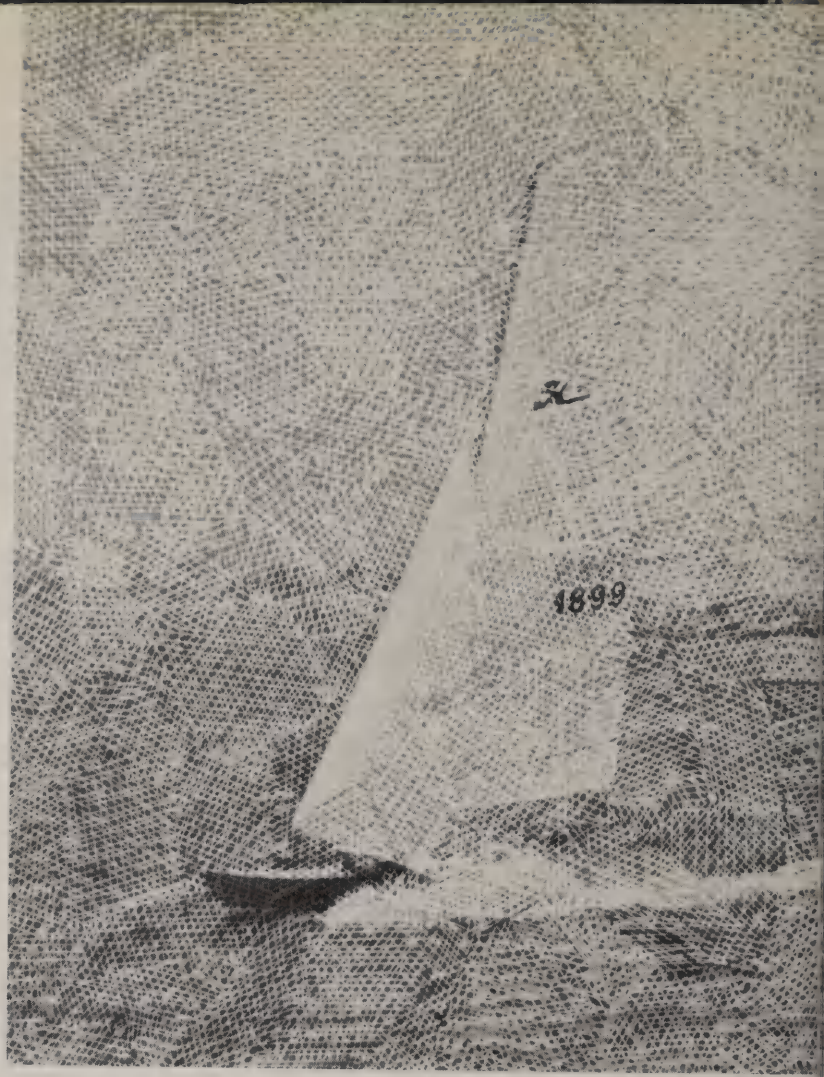

One season following another,
Laden with happiness and tears.

SUMMER

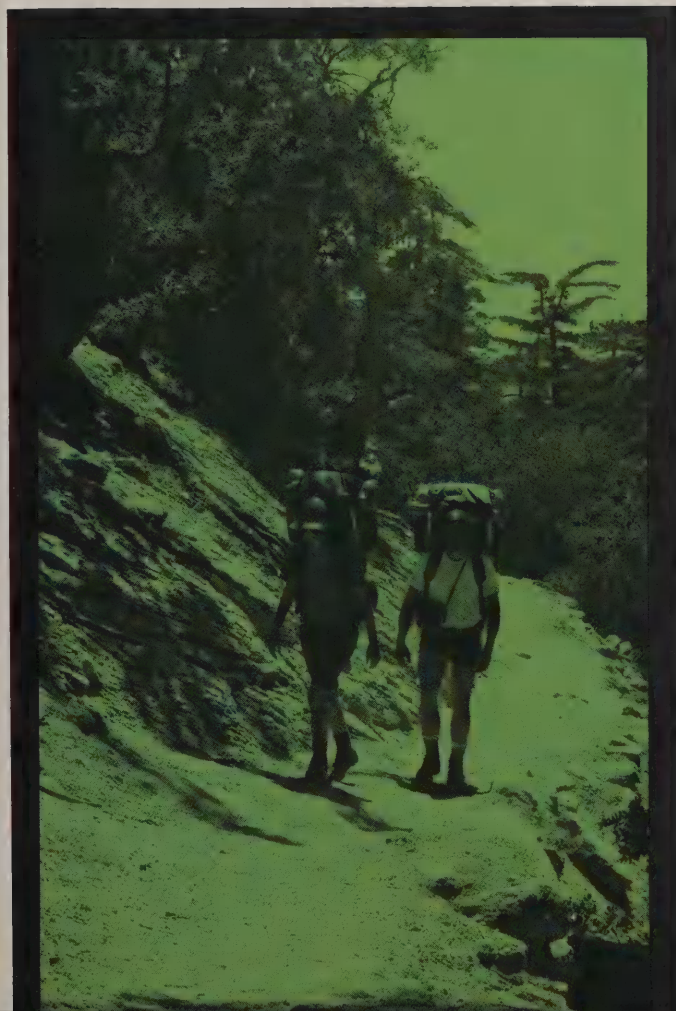

While the sun bathes
the city's playgrounds, students
participate in both
school and summer follies.
And summer breaks
over the Crawford campus
beginning the 1971-72 academic year.

In the sun that is young once only,
Time let me play and be.

Mr. Chris,
I am very proud of
you for putting up with me
this year. and really Mr.
Chris I sorry you only got
one square but what do
you want quality or
quantity?

"The end of labor
is to gain leisure."

Aristotle

See ya next year in
Ceramics (you lucky dog
ya get me again). Have
a fun summer!

Love,

Steff

Korsage

P.S. But seriously Mr. Christensen
thank you for all of your
help I have greatly
appreciated it.

Thanks

From 8 to 12 o'clock students take time from their relaxing summer vacation to attend school. Students came to experience two newly offered classes, guitar and oceanography, in addition to fulfilling grade requirements. The leisure-minded enjoy the beach as relief from the hot, muggy days.

The Important
Thing Is
Not Where We Are,
But Where We Are Going

Perfection was the goal for the 1971-72 Pacerettes. While many students lazily enjoyed the summer days, these girls practiced their routines for precise movements as a group. The intense practicing rewarded the Pacerettes with third place in the Santa Ana Christmas Parade. They also proudly participated in the homecoming rally, a half time Jamboree, the Autumn Band Review and the Hawthorne Parade. The advisor sponsor for this spirited group is Mrs. Barbara Keefer.

The Pacerettes, Crawford's prize winning drill team, performs at home football games and in parades throughout the southern California area. The officers of the group, **center left**, include Major Alisor McCullough and Captains Carol Danna, Marcia Peters, Sandi Wood, Debbie Rogers, Sue Green and Rose Ponce. The drill team was led by Colonel Deby Cox, **left**.

"Its Hard Work but It Gets

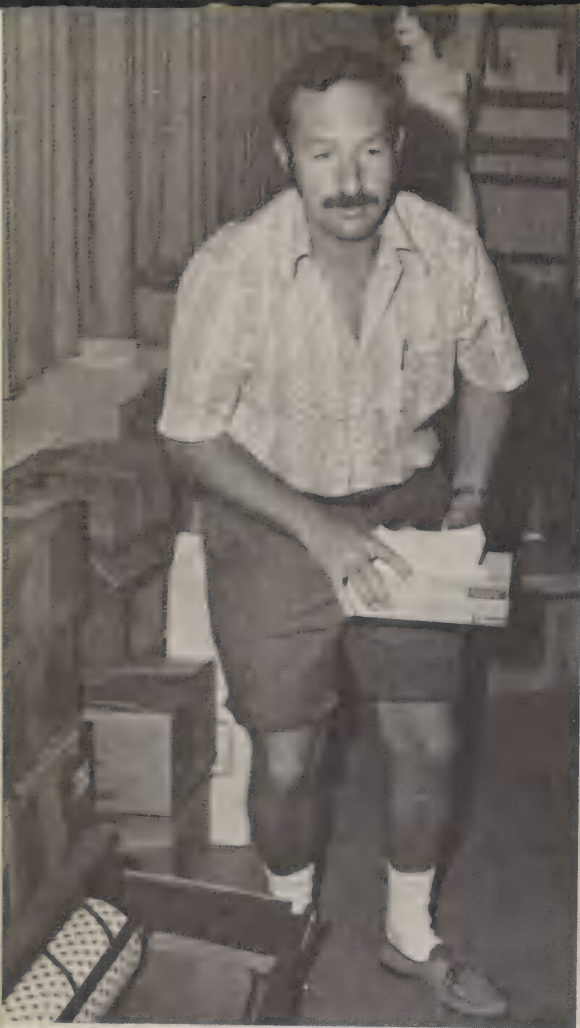

Pictured on these two pages are the prospects for starting positions on the football and cross country teams. Each day for two weeks before school opened these athletes spent up to five hours in exercise and preparation for the upcoming season.

You in Shape"

No one needs a vacation
so much as the person who has
just had one.

The week before classes began, teachers were already back at school busily working on lessons for the new school year. In addition to attending meetings, teachers exchanged accounts of their summer experiences and new plans for the coming year.

FALL

The sun is suspended high in the
sky as the fall season casts shadows
of autumn colors across
these longer days. Silent and
precious times heighten the spirit in the
cold fall season.

Mr. Charles Mobley, principal of Crawford High School, strives to improve student-faculty-community rapport.

This has been expressed through his input to the ASB cabinet, Inter-cultural assembly; and the citizens advisory committee. His sincere concern for an effective educational process continually spurs students to creative endeavors.

Three important people who have helped the principal and students are **below**, Mr. Warren Barritt, Mrs. Melba Thomas, and Mr. William Urban.

"Other people can't make you see with their eyes, at best they can only encourage you to use your own."

—Aldous Huxley

CHS advisors spend many hours helping students so that they may fulfill school requirements and receive all the necessary vocational aid. In addition to guiding students, they see that every new student is greeted in a friendly manner. The counselors speak with students but frequently include the student's parents in discussions which relate to such matters as college plans. To the **left** is Mrs. Marguerite Kaupp, Head Counselor and Mr. Bernie Davis, Career Counselor.

The lunch makers have received little credit for their hard work and long hours preparing for the lunch hour rush by Crawford's hungry mouths.

Through endless piles of papers and excuses, the dedicated Crawford secretaries make sense of the confusion and keep the main office as the heart of the makeup of the quaint institution of learning of Crawford.

The tolerant custodian staff, headed by John Mason, worked steady at the endless job of working to keep the campus clean and to keep up with constant repairs.

The swim team consists of: **Front row**, K. Keller, L. Wilson, S. Woods, B. Bilz, P. Grace, A. McTaggart, K. Hilger, B. Farkas, S. Tomic. **Second row**, N. Burgreen, S. Wolok, V. Smith, L. Marron, P. Bratton, K. Hopkins, M. Edwards, K. Lynch, J. Brown. **Third row**, M. Jones,

CHS's Swimmers Place Fourth in City

Several Crawford High School girl swimmers scored victories in the City finals. Barb Bilz, **below**, won the 100 yd. backstroke in a time of 1:12 minutes. Shauna Swan, **bottom**, participated in the "B" division and gained honors and a promising sophomore, Marsha Zimmer, **right**, did the 50 yd. freestyle in a time of :28 flat, which was the seasons best time in this event.

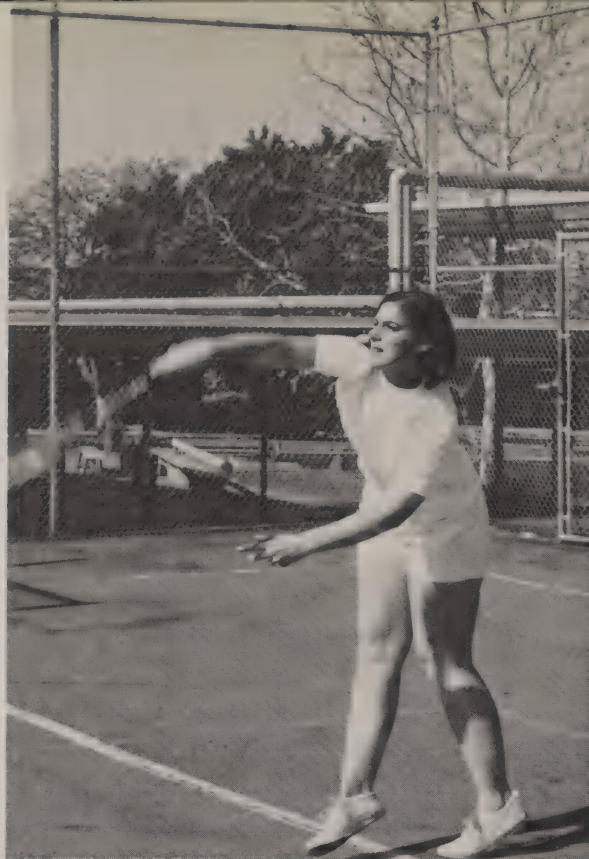

The varsity volleyball team is, **back row:** Patti Clary, Rosemarie Dobbs, Laurel Brassey, Peggy Stevensen, and Denise Parent. The J.V. team includes, **front row:** Teresa Brown, Barbara Miller, Lee Ann Wright, Arlene

Brealey, Connie Wilson, Barbara Wiedenfeld, and LaDon Kearny. Not pictured are Paulette Powell, Sandi Patty, Lynn Ziegenfuss, Doreen Peterson and the coach, Mrs. Vera Powell. The girls finished with a 5 to 1 record.

Girls' Volleyball Gains League Title

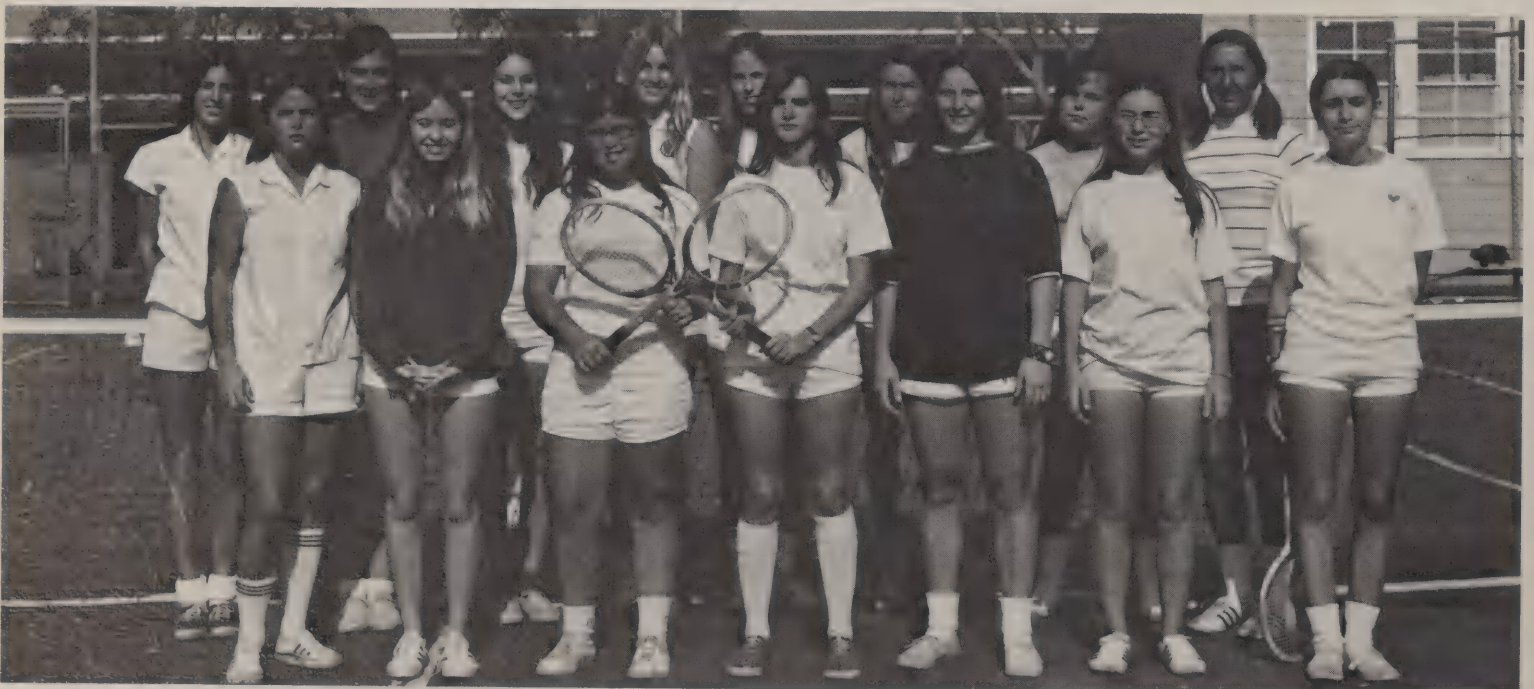

Denise Parent, **left**, and Laurel Brassey work out in preparation for their CIF championship game. After many hard practice sessions the team finished first place in Eastern League, but were defeated by Kearny in the CIF finals.

Lynn Ziegenfuss, **left**, follows through after a serve during a pre-game rally. Lynn was number one in the singles division. Second singles player, Lisa Feldman, **right**, returns a forehand lob to her opponent in a practice match on the CHS tennis courts.

Girls' Tennis Takes Second in League.

As part of a floor exercise Mark Thompson, **above**, turns a cartwheel. Mike Jankowski, **below**, executes a hip extension. At the beginning of a meet Steve Mills, **right**, starts up the twenty foot rope.

This year the PACER staff published fifteen editions of the newspaper under the leadership of Suzanne Choney and Rick Kranenburg, **top opposite page**. Suzanne headed publications for the first semester, until her graduation, when Rick assumed the editor's responsibility. **Center opposite page**, Jan Kitchen, advertising manager is assisted by Nancy Schwartz. Debbie Cramer, Debbie Bernstein, and Ava Zajd, **left opposite page**, are news editors. Nothing Is So

The CHS campus was filled with activities during Homecoming Week as students made last minute preparations for the festivities. Students were entertained with a powder puff derby and a half time where the roles of the boys and girls were switched. Girl football players and boy Pacer-ettes set the scene for a hilarious rally. At the evening game, reunion with the alumni students and cheerleaders brought out the spirit of the audience and helped to cheer CHS's football team onto victory.

Contagious As Enthusiasm

Jack-in-the-Box Drive Thru at Euclid and Federal.

One of the many contributors to the caravan of floats was the German Club's "Color My World With Victory".

Excitement filled the grandstand when Crawford defeated Morse at the Homecoming Game. The victory left feelings of glory and warmth with the cheerleaders who work so hard to support the team and generate spirit.

CHS's Pacer-ettes participate in an elaborate routine introducing the Homecoming Court. Apprehension and excitement spread quickly throughout the crowd as Miriam Aftreth, **right**, was named 1971 Homecoming Queen. The coronation took place during half time activities at Aztec Bowl, with 1970 Queen Terri Boone making the presentation.

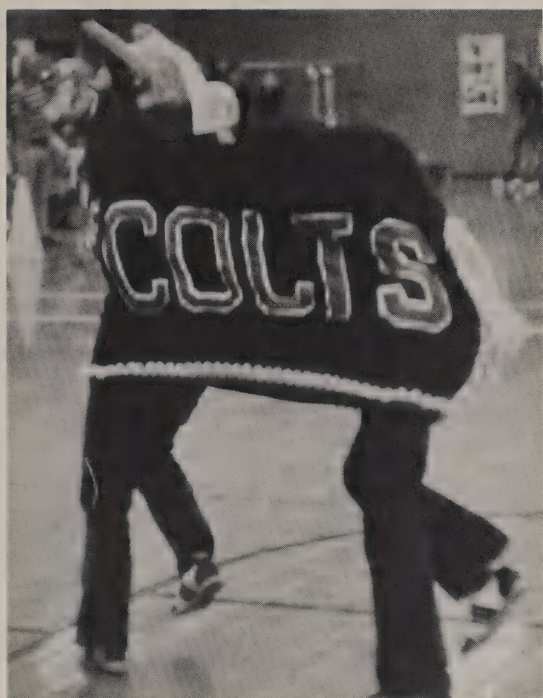

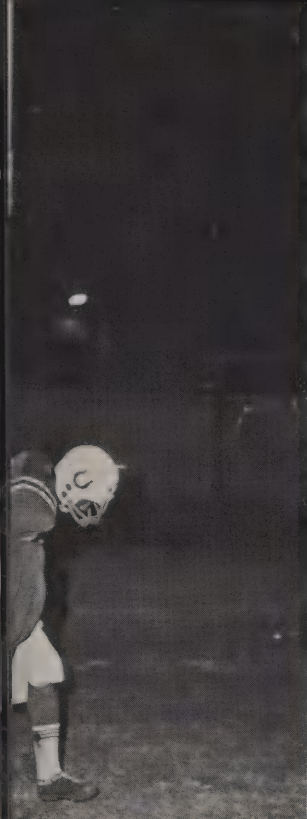

Sourest Temper Must Sweeten in Atmos

As their name would suggest, officers and members of the Stir-ups helped promote school spirit at CHS. The group contributed a float to the homecoming parade, and was responsible for the colorful posters and banners at games and rallies.

In addition, they sponsored the powder-puff derby, the election of Mr. and Miss Pep, Mr. Football and Benchwarmers. Stir-ups officers are president Gail Brightmon, vice president Sally Strick, secretary Jan Spangler and treasurer Linda Wiedenfield.

phere of Good Humor

Kathy Donovan, Lori Mills, Jeanette Oliver and Julie Radican get acquainted with the ponies at Colina playground as they take a few minutes of rest from their roles as the frolicking school mascots. One of the highlights of the homecoming rally was a burlesque routine by the filly, Jeanette and Julie, to the popular tune "The Stripper."

Ideas Are the Root

The 1971-72 Centaur Staff under the direction of two co-editors succeeded in producing a year-book with a unified theme. Members of the staff work during their lunch, after school and on week-ends trying to create a book with which the entire student body would be pleased. Their efforts to make a book that best represents student life at CHS are rewarded in June when the finished product is distributed.

WINTER

Hello Winter. Are you fine today?
We are.
You say you are happy now.
Yes, I see you all around.
You make me happy.
Why . . .

Oh.
Then forever be.

The time of year,
Seemingly void of life,
Is the time
When the world
Is preparing
For the burst of Spring,
Soon to appear.

The world is moving so fast these days that
the man who says it can't be done is
generally interrupted by someone doing it.

Clerks Olivia Nava and Michelle Mannering, **left**, are responsible for typing, filing and other clerical work for the ASB cabinet. Tracey Reed, Patty Bremner and Lynn Zeigenfuss, **below**, were elected commissioners of publicity, finance and student activities, respectively. Together they worked on the ASB Ball, homecoming activities and assemblies.

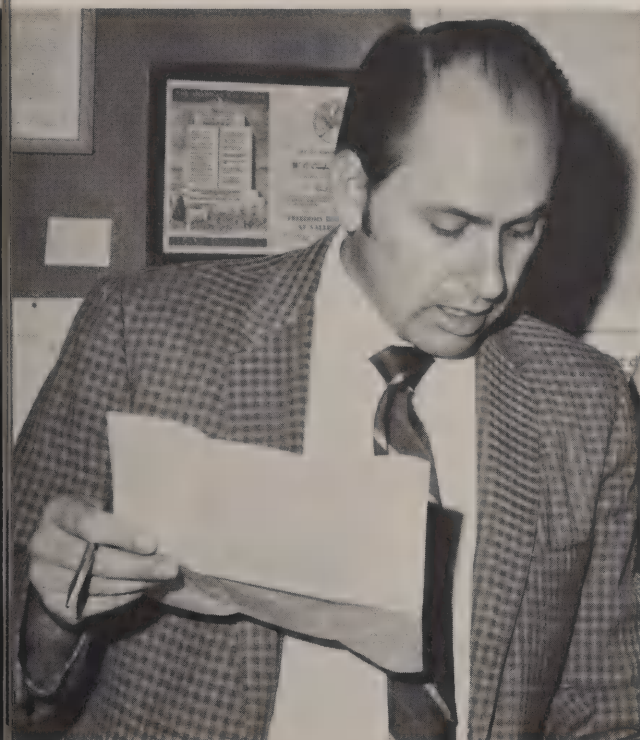

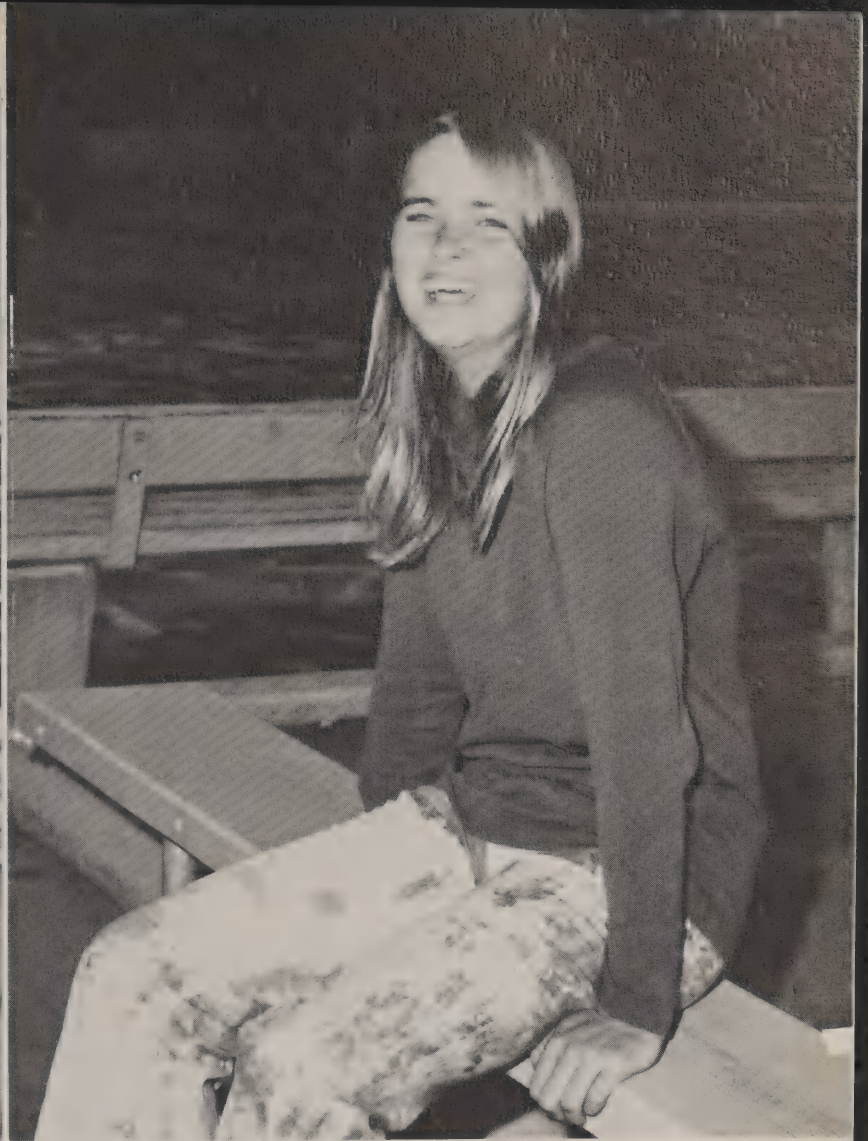

Above, members of the cabinet, consisting of ASB officers, commissioners, clerks, class presidents, head cheerleader and songleader, are captured during one of their few moments of leisure. Auditors Melissa Handrus and Roscoe Williams, **right,** accounted for all sales of tickets to ASB affairs.

"Action" was the motto carried out throughout the year by the 1971-72 CHS ASB officers.

Some of their innovative actions included the elimination of bells during the school day, after-basketball game dances, and the revision of the school constitution. President Reggie Gaines was assisted by Vice-president Paulette Powell, **far right opposite page** and secretary Maureen Hallahan, **below**. Mr. Russ Oyler, **below opposite page**, advised the ASB cabinet.

Membership in the California Scholarship Federation requires high academic standing on the semester report card. Advised by Miss Florence Eaton, the CSF numbered almost 200 members in the 1971-72 school year. President and life member Scott Rubin, **far right**, and secretary-treasurer Roscoe Williams led the group.

The American Field Service, a worldwide organization, promotes international friendship. In the 1971-72 school year the AFS members sponsored the Thanksgiving dinner collection for needy families, the Betty Crocker coupon drive, and Bond sale. The candy apple sale was another fund raising function to finance next year's foreign exchange students to the CHS campus. The Christmas party, "Holiday Thing in the Gym," enhanced those who attended with the unique "balloon bonanza." Foreign exchange students from all over San Diego were invited to attend. The Presidents of AFS pictured **above center**, are Rick Kranenburg and Tim Sankary.

Crawford, through the efforts of the AFS, is fortunate to have two foreign exchange students, Rosa Murillo from San Jose, Costa Rica and Jurgen Bredthauer from Mesum, West Germany. Rosa and Jurgen encountered many new people, places, and customs during their stay in the United States and while studying at Crawford.

The Knowledge of Words Is the Gate of Scholarship

The American Field Service also made it possible for two selected students from CHS to study abroad. Mary Reinman, **above left**, lived in the area around Sao Paulo, Brazil. She attended a private school there learning the native language, Portuguese. Sharon Coleman, **above right**, attended school for a year in Switzerland. Sharon found herself needing to learn the German language after studying Spanish for five years here.

The Forensics team upholds their consistently excellent record by participating in city as well as county tournaments.

Forensics is divided into three categories of speaking: impromptu, extemporaneous and original public address. Mrs. Mary Swank, team coach, and Richard Palmer, team captain, guided the team in defending second place in the city.

The Spanish Honor Society **above**, recognizes superior achievements in the study of Spanish. Mr. Gerald Newall, Mrs. Frances Archibald, president Ellen Wilson, Vice president Wendy Marcus and secretary Sigrid Overstreet directed the society's activities. The Math Team of CHS, **left**, consists of those students who excell and wish to compete in the field of mathematics. The sponsors for the team are Mrs. Sally Kotnik and Mr. Lamar Rogers.

"Love . . . it comes in all colors" was the theme of the Inter-Cultural Assembly. The original hope was to portray a feeling of unity and brotherhood; that purpose being altered as Reggie Gaines states it, "because of the desire of the participants to have the purpose of the assembly changed." The outcome was a beautiful display of the varying cultures of Crawford students. Ceremonial dances and a fashion show were presented by the Oriental, Afro-American, Israeli, American, European and Indian cultures.

That Is Best Which God Sends; It was His Will; It Is Mine.

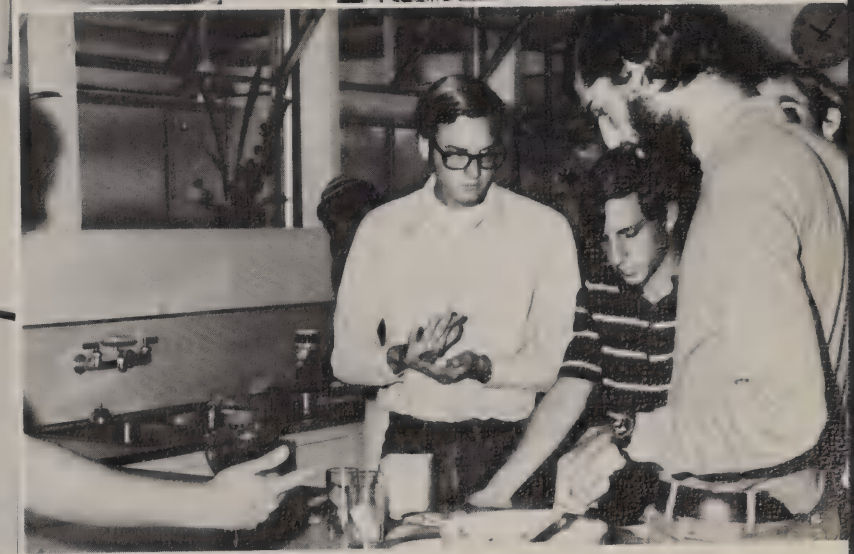

Charles King, invited to return after a very popular assembly two years ago, succeeded in reaching out and touching the students with his heart and soul at the assembly presented in the gym on February 26. A man with sincerity, Charles King brought a feeling of happiness to Crawford students through his spiritual singing and audience involvement.

The 1972 CENTAUR staff stayed up late at night and arose early in the morning to complete its work and meet its deadlines. There was time for fun and gaiety, too, as the staff held impromptu work sessions such as the early morning caper pictured below. During the year there were moments of frustration, anxiety and disagreements, but all staff members shared in the exhilarating feeling when the last pages were completed and sent to the publisher! We hope the efforts of the staff will provide you with a few memories of the year.

Goodbye for now — BUT I'll be back!

Hi! My name is Gail - didn't see me did you?

May this book be a ray of sunshine to you.

Petra Valasakos and Nancy Taylor
Co-editors, '72 CENTAUR

As the stillness of summer settles over the school, we are reminded that our generation is like the powerful waves breaking on the shore. The raging sea represents the turbulence and frenzy inherent in our generation. As we set the pace each day of each season, we must be ready to meet the challenges before us. Taking a final look at the tempestuous sea and its many moods and

vast potential, we realize that today's youth also have these characteristics. Our actions and accomplishments are not like those of the seagull, fleeting whims to be forgotten; they are instead components of the future. This perpetual quality and growth will continue to follow us from SUNRISE TO SUNSET.

I sure can tell
you know you
way around the
oranges. Thanks
for the good
time on the
staff

mile

Thank you so much for helping
me make it through my first year
on the Centaur staff. Oh well -
you'll be helping the staff next
year and then I can ^{get} more help.
Next year the staff is going to have
to play the same "Breakfast" joke
on you. I really like your p.j.'s. I've
never seen one like yours - that has
CENTAUR written on it. I hope you
and your wife have a nice summer.
LOVE SUSIE SUE.

AUTOGRAPHS

Mr. Christensen,

Thanks so much for your many artistic contributions & assistance on the yearbook. I must say I'm truly sorry for giving you such a bad time. I guess it's because I never really thought of you as a teacher - but instead a friend.

Have a good summer
cruising the streets
of O.B. !!!

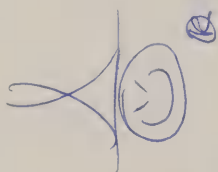

Petra

Richard, honey!

I love you! Man! ha!
What a confession - ha!

You're a great teacher/advisor
and I'll really miss you! If you
think you're rid of me, forget it.
Cuz I'm coming back to bug you! Jell!
then, try to be good! Have a great summer.

Love,
Mick

Ah Dick Baby,

Yes to reminisce on all the slap happy
cigar smoking, truckin' times we've
shared on the ole Centaur staff this
year. But when fun was behind you
really helped a bunch with all your
creative input to make this book and
production receive all the attention and
award it has. Thanks so much for the
quiet spirit you gave. Although you'll never
be rich and famous at being a teacher
all always admire you for achieving some
of the best artistic talents that I have
seen ever. Thanks for being a big part
in contributing to my book. Have a
happy future and a super art department
